

WarmLine Family Resource Center Roseville

Summer 2006 Learning Conversation
Placer County First 5 Commission

Thank you First 5 Placer County!

- In the past 6 months we've seen the number of phone calls increase to 20 per week, lasting an average of 45 minutes per call.
- We have seen an increase in the number of direct referrals from Alta Regional Center and the Infant Program (80 in Dec-May vs. 66 in June-Nov)

Data Presented...

- 1 December 2005 - 30 June 2006
- 2 quarters + 1 month so that future quarters will line up with WarmLine's fiscal year
- 2006-2007 year event data will be run on a monthly basis for planning purposes.

Demographics

- Collected from Intake Forms and ROI's
- Ethnicity data is estimated to the best of staff ability when not explicitly known
- ROI information is more complete
- Still perfecting networked database between Sacramento & Placer office

Our Favorite Quote...

“I cannot even write down what I’ve learned – I have learned so very much. One thing I will do as a result of what I learned at this training is be calm!”

- Parent that attended the Michael Rosenberg IEP Workshop, 17 May 2006

Placer County Autism Statistics

Sources

- Interviewed Betty DiRegolo, RUSD Special Ed Director & First 5 Partner about legal & confidentiality considerations prior to gathering the statistics
- National statistics from the Digest of Education Statistics 2004 – <http://nces.ed.gov>
- State & County statistics from California Department of Education's Dataquest database
<http://data1.cde.ca.gov/dataquest>
- Rates reported are based on the number of children that qualify for special education due to “autistic-like behaviors”
- Rates reported are based on December 2005 enrollment

Placer County Autism Statistics
